

Triton Protect Vehicle Service Contract (VSC) offers multiple plan options for various coverage levels for your customers when purchasing a used vehicle, including vehicles with high mileage.

PROTECTION

Helps protect the vehicle against certain unexpected repair expenses that can result from the ownership of the vehicle.

PEACE OF MIND

Triton Protect VSC helps protect the vehicle from costly repairs and price increases, keeping it running longer, for less.

PREDICTABILITY

Helps extend the protection of key components and keeps the vehicle performing at its best.

ULTIMATE COVERAGE

The highest level of protection for peace of mind.

Triton Protect's exclusionary plan offers the most comprehensive coverage for new or used vehicles. Covers most mechanical breakdown components, except those listed as excluded on the VSC service contract.

Deductible

- Multiple tiers available: \$0, \$100, and \$100 Disappearing.

Key Benefits

- Multiple deductible options provide pricing flexibility.
- Protection begins on Day 1 with the purchase of a vehicle and contract.
- Coverage term is calculated based on the date of purchase and odometer miles at the date of purchase.
- Rideshare vehicles included at no additional cost.

Optional Coverage

- Seals & Gaskets and Enhanced Coverage.

ULTIMATE WRAP

New vehicles today often come with a full manufacturer's warranty and powertrain warranty. After the full manufacturer's and powertrain warranty periods end, Triton Protect Ultimate Wrap VSC helps cover components the powertrain warranty does not.
